Dear NTSHF Volunteer Applicant:

Thank you for your interest in volunteering your time and talents to the Nevada Test Site Historical Foundation (NTSHF) and the Atomic Testing Museum (ATM). Your contributions will be needed and appreciated in a wide variety of activities throughout the year.

To accommodate the increasing complexity of our volunteer service needs, the NTSHF and ATM will, over time, require a large cadre of volunteers. For this reason, we will be accepting applications and placing volunteers throughout the year. Applicants must be 18 years of age or older and able to work during business hours, early evenings and be available periodically for weekend assignments.

While we recognize that many volunteers will contribute more hours than required, for some positions we may ask that you be able to commit to a year-or-more of service. For most positions, we ask a commitment of at least six hours per month.

To apply to the NTSHF and ATM Volunteer Services Program, please complete the attached form and return it to the NTSHF office in one of the following ways:

- Fill out the forms found on this site and submit them to us electronically;**
- Fax to: NTSHF Volunteer Services, (702) 794-5155; or**

If you have additional questions about the NTSHF and ATM Volunteer Services Program, call our office at (702) 794-5151, Monday through Friday from 9:00-4:00.

Sincerely,
